MEMORANDUM FOR THE RECORD

FROM: [REDACTED]
Chief, Facilities Branch

SUBJECT: Blue Border

25X1

1. On 26 February 1979, I discussed with [REDACTED] the action planned by the Security Committee to insure that the Blue Border material is handled in accordance with procedures delineated by CIA. [REDACTED] advised that he did not see a problem with the approach being taken by the Committee, but that the matter should be discussed with Field Office Supervisor, [REDACTED] who is handling the case.

25X1

2. The matter was discussed with [REDACTED] [REDACTED] stated that he did not see any problem with the proposed action by the Security Committee as long as it was carried out in a routine manner and there was no mention or indication of a leak.

25X1

3. Actions by the Security Committee were coordinated with the FBI so the investigation will not be jeopardized.
